May 2007

Dear Parent/Guardian

Thank you for your enquiry about enrolment at St Joseph’s College.

The St Joseph’s Parish community initiated the development of St Joseph’s College which first opened its doors to students in February 1993 with 115 Year 7 and 8 students. The College currently has 720 students in Years 7 to 12.

The College Mission Statement emphasizes the value that the College community places on the pursuit of excellence and the development of students in their academic, spiritual, social, sporting and cultural endeavours. The distinctiveness of the College can be found in the ways that each individual is encouraged to develop to his or her full potential, and be a participating member of the College community.

Within this community the aims are to:
♦ Develop an understanding of what it is to be Catholic.
♦ Develop in students a better understanding of their personal worth and an appreciation of others.
♦ Encourage each person’s contribution to the development of our community.
♦ Maintain and develop an environment where all individuals are valued, cared for and respected.
♦ Ensure that a Christian perspective permeates all areas of the school curriculum and structure.
