Dear Parents, Staff, Students, and Supporters of St Joseph’s College,

As I wrote in the last Newsletter, Lent challenges us all to:

- Pray
- Go without
- Help others

All three challenges require commitment. What is commitment? Is it something we are born with?

I’ve read some inspiring words from Michael Jordan, the ex-NBA basketball player, who says, in terms of commitment, that there are no shortcuts. Michael believes that if you put in the work, the results will come. He believes if you approach things half-heartedly, then you can expect half-hearted results.

Part of being committed is taking responsibility for what we do. Difficulties will invariably be a part of these situations and a large part of our commitment will involve perseverance.

I’ve written in this document before about how Abraham Lincoln contested eight elections, went bankrupt twice and suffered a nervous breakdown, before he was elected President of the United States of America.

Keiran Perkins originally started swimming to help his asthma. Andrew Wiles of Princeton University spent seven years of intensely working before he proved one of mathematics great mysteries, Fermat’s Last Theorem. Mozart worked for months perfecting a symphony. Lance Armstrong was so determined to succeed that he trained and prepared for Le Tour de France like no-one else.

What do all of these people have in common? Commitment. An unwillingness to take shortcuts. Some have tried to deny Lance Armstrong his glory because of a belief that the only way he could achieve is by cheating. This theory is yet to be proven correct.

So where does the commitment come from? You have to believe that you are working for a worthy cause. When I think about the former employees of James Hardie Industries, I see a group of people committed to achieving justice for former employees stricken by work-related illness.

What is the recipe?

- Be passionate about everything that you are involved in – schoolwork, cultural pursuits and sporting pursuits.
- Accept criticism and look upon it as an opportunity of improving yourself.
- Realise that effort will really make a difference.

It’s that perseverance and commitment that will make a difference.

Let’s all practice 100% commitment in the coming weeks.

Best wishes and
God Bless,

Mr Peter McLoughlin
Principal
Week 6, Term 1

We have reached the halfway mark of Term 1: Congratulations to all! There is an old saying that goes, “Time flies when you’re having fun” but maybe it should include “…or when you’re at school”?! We have lots to share with you today, so please take the time to read through this publication. If you would like to see it in colour, please go to our website www.bps.lism.catholic.edu.au. We hope you enjoy today’s issue.

16/02/07    $1,000.00    Commonwealth Bank, Tweed City

John Klein – School Fees Manager

PARISH YOUTH MASS
Our Next Youth Mass will be held on Sunday 25 March 2007 in the Holy Family Chapel, St. Joseph’s College, Doyle Drive, Banora Point, commencing at 5.30pm

Do you know the meaning of this word? Compassion: (n.) a feeling of distress and/or pity for the suffering or misfortune of another.

Do you show ‘compassion’ towards others?

PROJECT COMPASSION

God calls us to have courage during the journey of our life. This week, Project Compassion focuses on Luisa, an East Timorese woman who has become a counsellor in her community. Your donation will allow Caritas Australia to continue to provide support for the people of East Timor as they continue rebuilding their lives.

In just over a week, our community has already managed to raise $261.55. Let's keep up the good work because people in poverty throughout the world need our help.

Sunday: 9:00am (Bilambil)         Sunday: 9:00am (Kingscliff)

Fr Michael Brady                   Fr Jim Griffin
Parish Priest                       Parish Priest

Ash Wednesday Liturgy, 21 February 2007

It was a combined liturgy with students from both St James Primary School and St Joseph’s College in attendance.

The students showed appropriate reverence during the Liturgy and I thank all those who participated in this very important event in the Catholic Church’s calendar as it signifies the start of Lent.

Mr Scott McDermott

Ash Wednesday Liturgy, 21 February 2007

Year 11 Committee
**Diary:** The student diary should be signed by parents/caregivers each week. Any concerns? Contact the relevant Year Coordinator.

---

**LITERACY NEWS**

**ELLA AND SNAP**

Students in Years 7 and 8 will participate in ELLA tests during Week 6. Please note the correction to our last notice that SNAP testing will now take place in April.

ELLA tests will be run tomorrow, Tuesday 6 March, during Periods 1 to 5 (normal lessons will run for Periods 6 and 7). Each student will be provided with a test paper and a 2B pencil. Students are asked to bring a pencil sharpener, an eraser, a drink and a book to read should they finish any part of the test ahead of time.

Parents are asked to be mindful of the need for students to be at the College on time and to avoid an early departure on this day.

*Mr Carlo Trimboli & Mrs Serena Rose*
*Literacy Coordinators*

**YEAR 10 HSIE EXCURSIONS**

Last week, students were given permission notes for the **Year 10 HSIE Excursions on Tuesday 27 March 2007**.

Parents are reminded that in keeping with the College Excursion Policy, all money and notes need to be returned two weeks prior to the planned event.

The due date for all money and notes for the **Year 10 HSIE Excursion is next Monday, 12 March 2007**. Thank you in anticipation of your cooperation in this matter.

*Mrs Tony Channell*
*HSIE Coordinator*

---

**SPORT NEWS**

**Year 12 Climbing Up the Walls**

A group of Year 12 students have chosen to do ROCK CLIMBING as their sport for this Term.

After a rigorous safety-check by staff at Paramount Rock Climbing, they were off!

Jake De Venny, Tim Burns and Mitchell Good (pictured) showed great skill and tackled some of the harder climbs. Some of the girls needed to be bribed with ice-creams before they could reach the top.

*Mitchell Good (12E)*

---

**CENTACARE**

*Catholic Family and Community Services*

Centacare at Ashmore is conducting two workshops to be run over eight weeks.

The first workshop is **“Fathering After Separation”** which aims to help fathers make good choices for themselves and for their children in deciding how to deal with being separated. It focuses on the father’s relationship with his children and acknowledges fathers’ caring and commitment for their children.

This commences on Thursday 8 March from 5:30-8:30pm.

The second workshop is **“Possibilities for Change”** which aims to help the participants to develop personal goals and to encourage progress towards achieving these goals. The workshop also helps to find insight into the problems that may hinder these goals and to generate possible solutions.

This commences on Wednesday 7 March from 9:30am-12:00noon.

For more details please phone
Centacare on (07) 5556. 9900.
Located at Unit 50/207 Currumburra Road, Ashmore.

---

**CENTEXCHANGE**

In July 2007, students, aged 15 – 18 years, from over 15 countries will be arriving in Australia to study at local schools for 5 or 11 months. Opportunities exist to act as a host family in a volunteer/unpaid capacity. Hosting can be on a temporary, short or long term basis.

Host families help provide students with the chance to study and experience life in Australia. This is a great way to learn about another country and culture, establish a lifelong link to a family in another country and contribute to international goodwill. If your family can offer a friendly, supportive and caring home environment, contact us today.

To learn more about this opportunity call Student Exchange Australia on 1300 135 331 or visit our website www.studentexchange.org.au.
Welcome to Year 7 2007 students and their families

Well done and thank to Year 7 for the way you have started at high school. Thanks also to the parents for your support. Below are some excerpts from an activity in 7A Religion where students were asked to write a letter about their first impressions about high school.

"First Impressions"

High school so far is a bit confusing, but fun. I’ve made some new friends and seen some old ones. The first day was scary, but when I got settled, it was good.

Mitchell Parnell 7A

I am loving high school so far, the teachers and other students have been so welcoming . . . I have to be so organised and ready to face the new challenges everyday. I hope I keep making new friends and liking school, because it is a fun place to be.

Kirra Manning 7A

I think it is much better than primary school, because you have heaps of different teachers, so you are not stuck with the same one all day . . . One of the things I really like about high school is science and the cool experiments we get to do.

Luke Foyster 7A

I think all my teachers are nice and are always able to help me. I am pretty sure I now know my way around, after 3 weeks. High school is so much fun. I love it.

Grace Beattie 7A

High school so far has been great!! High school is massive, there’s so much room and there’s heaps of kids and teachers.

Tremayne Saxby 7A

High school is great; my favourite subject is HSIE, only because we have Mr Williams. Technology is really good too. I thought it was going to be hard, but it has turned out way better than Primary school. The tuck shop is way different, a lot better than primary schools.

Jacob Holt 7A

It is now week 3 of high school and so far I’ve had a completely awesome time. I have made lots of new friends. The first day wasn’t exactly hard, but it certainly was confusing. All the teachers that I’ve come across have all been nice and understanding. I am particularly grateful to the seniors, as they are always willing to help me . . . High school has been the biggest blast.

Codie Leaver 7A
Today we include an article from an interesting book, with the attention-grabbing title shown above.

Having a good attitude helps us to manage ourselves in ways that produce positive, successful and rewarding outcomes in situations, relationships and personal happiness. The presentation of an attitude is often a contributor to confrontation between teenagers and their parents and teachers. The benefits of continuing to encourage a positive attitude even when the going is tough are clearly seen in the list of antidotes and replacements. More articles from this book will follow throughout the year. We hope you enjoy them.

Ms Frances Stegeman
Pastoral Advisor

‘Bad Attitude Antidotes and Replacements’

Every bad attitude has an antidote. In an effective makeover, not only do you have to stop the bad attitude, but you must also boost the missing virtue whose absence has created the problem in the first place.

For example, if your child has been giving you a lot of back talk, you had better be sure that a crucial part of eliminating his/her bad attitude is replacing it with respect. That will not only make your family more harmonious and you less stressful, but you’ll also get an added bonus of a better-behaved child with stronger character.

What follows is a list of benefits that will result from the twenty-four bad attitude makeovers:

<table>
<thead>
<tr>
<th>Bad Attitude</th>
<th>Attitude Antidote and Replacement</th>
</tr>
</thead>
<tbody>
<tr>
<td>Arrogant</td>
<td>Humility, Graciousness, Modesty</td>

The Valentines Day activities proved popular again this year, with over 350 roses being distributed to friends, family members and perhaps a sweetheart or two. Our "progressive conversation", in the quadrangle at lunchtime, proved very popular and is aimed at providing the opportunity for new students to the school, such as our Year 7 students, to meet SRC members and extend their circle of friends by chatting to other students in different year groups. It’s amazing how much you can learn in two minutes!

The SRC plans to celebrate St Joseph’s Day with a Liturgy and Activity afternoon this year. Great prizes are on offer and we hope the whole school will get involved and enjoy themselves.

The SRC are meeting once a fortnight on Day 1 of the timetable. You can check out what has been happening by reading the meeting minutes which are posted on the noticeboard outside the Library, a few days after each meeting.

‘Student of the Week’ has reappeared and will remain a regular feature of the College Newsletter. This entitles students to a $5.00 lunch voucher at the Canteen. Keep your eyes peeled as you could be the ‘Student of the Week’!

Let’s all try and make 2007 a fantastic year!

Student Representative Council
AUSTRALIAN MATHEMATICS COMPETITION

The Australian Mathematics Competition for this year will be held on Wednesday 25 July 2007.

Nomination forms for this competition have been given to students. If your child did not receive an entry form and would like to participate in the competition, entry forms are available from their Mathematics teacher.

Entries close on Friday 23 March 2007. Cost is $4.00. Students, please pay at Student Reception at the College Office.

Mr Paul Bush
Competition Organiser

SCIENCE COMPETITION

This year the Science Department has chosen to enter our students into the Rio Tinto Big Science Competition (RTBSC).

The 2007 RTBSC will be held on Thursday 7 May 2007. The cost is $4.00 per student payable at Student Reception by Friday 23 March 2007.

The competition is open to all year levels and all students will receive a certificate recognising their achievement. Please encourage your child to enter the competition. Information letters are available from your child’s Science teacher.

Ms Fiona Murray
Competition Organiser

CAREERS NEWS

On Thursday 1 March, Year 12 (UAI) candidates attended ‘Uni Showcase’ in the Doyle Centre. The students received valuable information about university life, courses and options for university study next year.

And for the information of interested students:

✦ Any Year 11 or 12 students interested in attending a Journalism Information Day at Bond University during March, please see me.

✦ Students at work (or during work experience) entering construction sites under NSW or QLD legislation must have Occupational Health and Safety General Induction Cards. As of 1 January 2007, there is a mutual recognition of general inductions for NSW and QLD – the White Card. If any students are interested in completing the course at a very competitive rate, please see me.

✦ Eagle Boys job opportunities: There is a new Eagle Boys Pizza Store opening in the Tweed Area in early April. Positions to be filled include kitchen hands and delivery drivers. For more information, please see me.

Mr Matt Hall
Careers Advisor

STUDENT OF THE WEEK

Welcome back to the Student of the Week for 2007

Could this be a picture of you?

The nominated student is required to present themselves to the College Principal before Friday of this week. If this student does, they will receive a voucher to the value of $5.00 for purchases at the Canteen.

KEEP WATCHING THIS SPACE – THE NEXT TIME IT COULD BE YOU!

Student Council

Mrs Dianne Pinkstone
Canteen Manager

Valuables: Students are asked not to bring large sums of cash or valuable items to school.
Dear Sir/Madam,

We are currently organising a Fundraising Night for Kyle who is a 6-year-old boy with Cerebral Palsy Spastic Quadplegia. Kyle recently received an Electric Wheelchair, which will give Kyle more mobility and much needed independence. The vehicle his mum has is not suitable to transport the electric wheelchair. The fundraising night is to raise funds for a Kia Carnival with modifications. Kyle’s mum already has $15,000 towards the van. The cost of a Kia Carnival is $32,000 and modifications $6,000. Kyle’s mum is a single parent and has been unable to work since Kyle’s birth due to his 24 hr care. Kyle was born 13 weeks premature and due to the early life threatening and traumatic birth Kyle was diagnosed with Cerebral Palsy.

On the 5th February Kyle had a major hip operation and will be in plaster (spiker) cast for 7 weeks. This operation was Kyle’s 6th and we hope his last. This will help Kyle to sit, stand and eventually walk.

The Fundraising Night is to be at South Tweed Sports (Bowls) Club on Saturday 30th June 2007 at 7pm. We will have an MC hosting the night, with an Auction, Raffles, Band and a Guest Speaker. We would like to ask for your help in donating something to raffle/auction. My contact details are: Email: kylelicous@hotmail.com Phone: 0755244354 0407243522. I would like to Thankyou for your time.

Kind regards

Karen Sculley
INFORMATION REQUIRED TO HELP DETERMINE FUNDING ARRANGEMENTS FOR NON-GOVERNMENT SCHOOLS

PRIVACY NOTICE

This notice is from the Australian Government Department of Education, Science and Training (DEST), to advise you that we have requested your child’s school to provide the following three pieces of information:

- Students’ residential addresses (not names of students);
- Students’ Level of Education (whether Primary or Secondary Level);
- Students’ Boarding School Status (whether Boarders or Day Students).

DEST requires this information so we can accurately administer general recurrent funding provided to non-government schools, and to determine payments of Australian Government assistance under the Schools Assistance (Learning Together – Achievement Through Choice and Opportunity) Act (the Act).

DEST will only use this information for this specific purpose.

Background Information on how funding is allocated:

The Australian Government allocates per student funding to non-government schools according to the socioeconomic status (SES) of a school’s community. SES scores are calculated every four years using income, education and occupation data from the Australian Bureau of Statistics (ABS) national Census. A school’s SES score will be used to determine their level of Australian Government per student funding under the Act.

DEST is bound by the provisions of the Privacy Act 1988. Section 14 of the Privacy Act contains the Information Privacy Principles (IPPs) which prescribe the rules for handling personal information. The information provided by your child’s school may be disclosed by DEST to contractors working for DEST for the purposes of verifying the information, and for no other purpose. In other instances the information will not be disclosed without your consent, unless where authorised or required by law.

If you have any questions regarding this Privacy Notice please phone the DEST Schools Grants and Data Section Helpline on 1800 677 027 (free call) or send an e-mail to grantsanddata.help@dest.gov.au.
