Dear Parents, Staff, Students, and Supporters of St Joseph’s College,

Welcome back to Term 3, the beginning of the second semester for 2007. A new term is a new beginning in many ways. It is an opportunity to start afresh, set new goals and evaluate any existing goals.

For students in Years 7, 8, 9 and 10 it is an opportunity to evaluate from their Semester One Report what went well and what areas need some attention. Last term I wrote in the Newsletter (on 14 May) about ‘Personal Best’. All of Year 12 has completed a PB Student Worksheet for their Trial HSC Exams which will commence on Monday 6 August. I would encourage all parents and students to look at the PB website www.lifelongachievement.com.

NEW STAFF
Welcome to Ms Sandra Salamacha, Mrs Frances Lamont and Ms Amie Nugent. Ms Salamacha will be teaching Mrs Rose’s classes for the next year; Ms Nugent will be teaching Mr Harris’ classes for this term; and Mrs Lamont will be teaching Mrs McConnell’s classes this term.

NEW STUDENTS
Welcome to the following new students who have commenced their education at St Joseph’s College this term:

<table>
<thead>
<tr>
<th>Name</th>
<th>Year</th>
</tr>

<tbody>
<tr>
<td>Grant Walker</td>
<td>8</td>
</tr>
<tr>
<td>Blake Bailey</td>
<td>7</td>
</tr>
<tr>
<td>Zoe Marzin</td>
<td>7</td>
</tr>
</tbody>
</table>

CONDOLENCES
Please pray for the repose of the soul of Ms Margaret Bermingham’s mother Maureen, who passed away on 27 June. Please also pray for the repose of the soul of the grandmother of Jayden Kelly (10B), who passed away on 17 July.

"Eternal rest grant to them O Lord
And may perpetual light shine upon them.
May they Rest in Peace. Amen.”

DEMI SWAIN
Tomorrow is the second anniversary of the sad passing of Demi (Year 8 2005). Please keep Demi and her family in your prayers.

PARENT / TEACHER / STUDENT EVENINGS
These are a crucial stage of the reporting process. I encourage all parents and students to attend. Our first night is tonight for Year 7. Others are as follows:

<table>
<thead>
<tr>
<th>Date</th>
<th>Year</th>
<th>Week</th>
</tr>
</thead>
<tbody>
<tr>
<td>Wednesday 25 July</td>
<td>10</td>
<td>(Week 2)</td>

<td>(Week 3)</td>
</tr>
<tr>
<td>Tuesday 7 August</td>
<td>9</td>
<td>(Week 4)</td>
</tr>
</tbody>
</table>

Please note that booking sheets for these nights are on page 142 of the Student Diary and students are asked to bring their Diary with them to the interviews. Grades analysis information for the respective year groups will be available at the door on each night.

JOURNEY OF THE WORLD YOUTH DAY (WYD) CROSS AND ICON
All students in Years 10 and 11 will travel to Byron Bay on Monday 6 August for the Lismore Diocese Northern Secondary Schools celebration of the Journey of the WYD Cross and Icon through our Diocese. On Tuesday 7 August, the Cross and Icon will visit St Joseph’s College from 1:45pm until 2:30pm. This will involve all students from the College as well as students from Stage III (Years 5 and 6) from our three Catholic Primary Schools.

The WYD Cross is the most significant tangible symbol of World Youth Day. Originally the idea of Pope John Paul II, the 3.8m wooden cross was built and placed as a symbol of the Catholic faith, near the main altar in St Peter’s Basilica during the Holy Year of 1983. On Palm Sunday in 2003, the Pope introduced a new element for World Youth Day, the Icon of Our Lady, ‘Salus Populi Romani’, a contemporary copy of a sacred and ancient icon. More information about the WYD Cross and Icon will be published in next week’s News Sheet.

STAFF DEVELOPMENT DAY, MONDAY 16 JULY
My thanks to staff members Mr Tom Nethery and Mrs Vicki Sargent, and also to Mrs Kate Nestor of the CEO, who facilitated an excellent staff spirituality day last Monday.

Best wishes for a very productive and satisfying term,

God Bless,

Mr Peter McLoughlin
Principal
Welcome back to school for Term 3. And welcome to the Second Semester of the school year.

The second semester invariably goes a lot faster than the first one and Term 3 is already off to a flying start! So the only question you have to ask yourself is: Are you prepared?

We have lots of information to share with you - as always - so if you can, please read this newsletter together as a family. And you can see the full colour version of this document on the College website at www.bps.lism.catholic.edu.au.

We hope you enjoy today’s issue.

IN THIS ISSUE:
- WYD Cross and Icon Visit on 7 August – Request for a Tray Truck or Trailer to help transport
- Principal’s Notes
- School Fees Notice
- Annual Athletics Carnival this coming Friday - THIS EVENT IS COMPELLARY FOR ALL STUDENTS
- Deputy’s Notices
- “Denim for Dominic” TOMORROW

- World Youth Day Cross and Icon to visit Tweed Heads!!

DO YOU HAVE A TRAY TRUCK OR TRAILER?
We are looking for someone in the parish who may have a truck or trailer that will carry the World Youth Day Cross between venues whilst it is in Tweed Heads. It needs to lay flat and be able to be safely secured. The length of the Cross is 3.8 metres and we would need anyone who could assist us to be available between 2:30 and 4:00pm on Tuesday 7 August.

Please contact the Parish Office on (07) 5536.7522.

ATHLETICS CARNIVAL
This coming Friday, 27 July is our annual Athletics Carnival. It is a normal school day and ALL students are expected to attend. Parents/Caregivers, if your child is away this Friday, please ring the College by 9:00am to inform of your child’s absence.

LANDSCAPING PROJECT
During the break a landscaping project was completed near the Science Block. It looks magnificent! Our sincere thanks go to:
- Mr Wayne De Venny who came up with the concept of the project.
- Boyd’s Bay Garden World.
- The Commonwealth Government who contributed 75% of the cost under the Investing in Our Schools Project.
- The students of the College who contributed 10% of the cost through last year’s Beachathon.

An official opening is set down for 12:30pm on Wednesday 29 August.

YEAR 10
Many thanks to:
- Mr Matt Hall, Ms Alison Lonsdale and Ms Melissa Hughes from Connect Murwillumbah who organised the excellent careers market for Year 10 last Wednesday. There were many excellent exhibitors and lots of great information passed on to our Year 10s.
- Mrs Helen Borrowdale who organised the Year 10 into Year 11 2008 Information Evening last Thursday night. Thanks also to Mr Rowland, Mrs Crouch, Mr Cox, Mr Channell, Mrs Singleton and Mr Serone who spoke to parents and students.

REFLECTION DAYS
Many thanks to Mr McDermott who organised the Reflection Days for Years 7, 8, 9 & 10 last week. Thanks also to the Year Coordinators and Catholic Studies teachers of these year groups who attended.

Mr Peter Mcloughlin
Principal

**STUDENT REPRESENTATIVE COUNCIL (SRC)**

Term 3 is the term where students are invited to consider their potential as student leaders.

St Joseph’s College is fortunate to have a very active student council who work to raise funds and provide activities which develop school spirit and improve our community.

We are looking for another enthusiastic team of young people to continue this work in 2007-2008.

Every student is encouraged to engage in some self-evaluation – to consider their current performance and involvement and identify the gifts they have to offer our community.

During Week 5, Year 11 will attend their Leadership Camp and other year groups will be informed of the structure and process at form meetings. Homeroom and pastoral teachers and Year Coordinators will then consider the suitability of those nominated, after which successful nominees will be informed. They will be interviewed for the role and then prepare and deliver a nomination speech for their year group.

At the conclusion of the speeches, students will vote for their representatives. Successful students will be notified at the end of Week 8 and inducted at the Leadership Mass on Wednesday 12 September (Week 9).

Students are encouraged to nominate and to consider who amongst their peers might best represent them on the 2007-2008 Student Representative Council.

Ms Frances Stegeman
Pastoral Advisor

**THIS FRIDAY, 27 JULY**

This event is compulsory for all students.
Students Absences: Please telephone the College between 7:45am and 9:30am on the day of the absence.  
A note is also required on the first day of the student’s return.

YEAR 11 NEWS

LEADERSHIP CAMP
Year 11 students will be attending their Leadership Camp on Wednesday 15 to Friday 17 August (Week 5).

They will be accompanied by eight teachers and complete a program intended to get them thinking about their own leadership abilities and the leadership they would like to establish as a senior group. We all look forward to the experience.

Permission notes and outstanding monies are asked to be submitted to the College office by the end of this week. Please indicate if your child has any special dietary or medical requirements.

THANK YOU
I would like to thank Mrs Michelle Heazlewood-Ross for her efforts in looking after Year 11 whilst I was on leave. It was great knowing that the students were in her very capable care.

Mr Shane Burns  
Year 11 Coordinator

PARISH YOUTH MASS
Our Next Youth Mass will be held this Sunday, 29 July in the Holy Family Chapel, St. Joseph’s College, Doyle Drive, Banora Point, commencing at 5.30pm
Earlier last term, a number of students from Years 7 to 11 took part in the ‘Rio Tinto Big Science Competition’.

Science is about making sense of our world. We need to have an understanding of science to debate current issues.

The Rio Tinto Big Science Competition encourages critical thinking and problem solving skills. Held annually in the third week of May, the competition challenges secondary students from Australian and International schools in Junior, Intermediate and Senior divisions. The competition questions are written by teachers and scientists from all around Australia.

Certificates and awards are presented to students to acknowledge their achievement.

By all accounts, this science competition was more challenging than previous science competitions. Congratulations to all the students who participated, and to the following students who received awards:

TAS NEWS

PRINCESSES AND PIRATES
YEAR 9 FOOD TECH KINDA PARTY
These student reports and photos follow the fun of our recent “Kinda Party” held in the last week of Term 2. Everyone got into spirit of the party theme and it was hard to tell who was having the most fun: the kindy kids or ours!!

Ms Karen Parker
TAS Coordinator

On Tuesday 26 June, the school was filled with the smell of party food as Year 9 Food Tech and I slaved away preparing food and decorations for 50 energetic St Anthony’s kindys.

The day was an overall success with our ‘Pirate and Princess’ theme. The children arrived at 11:00am all dressed up to fill the part. Soon the room was filled with a sea of kids – all very hungry – and as soon as we said the word, they devoured all our hard work – and still had room for cake!

But in the end the satisfaction of a job well done made it all worthwhile.

Marcus Cannon (9A)

On 26 June, the Year 9 Food Tech class held a Pirate/Princess Party for 50 kinder children from St Anthony’s.

All Term Ms Parker and the class had been working on the organisation for the party: making invitations, pirate hats, crowns, games and lots of yummy food.

The children all dressed and looked great. With the help of everyone the day was a success and was filled with smiles, laughs and loads of fun.

A special thank you to Ms Parker for hosting a great day.

Chantelle Walker (9E)

The kindergarten children were due to arrive at our school at 11:30am. We were busy cooking, reheating and decorating when we received a call that they would be arriving 40 minutes early! So things started to get busier! The Food Tech room was full of the smell of delicious party food and decorated wonderfully. The children arrived in their cute pirate and princess costumes and entered the room. After a quick welcome the party began with food – which they thoroughly enjoyed, as you could see from their messy faces! A big group game of ‘musical statues’ was followed by 45 minutes of smaller games. It was quite a hectic and loud Tuesday morning, full of screams and the sound of running feet of small children. We all returned to the Food Tech room for a game of ‘pass the parcel’, the cutting of the cake and the giving out of party bags.

All in all the party was a huge success, other than the rather big mess to clean up at the end!

Ramona Summers (9A)
Many opportunities exist for you to support your child’s literacy and numeracy development through everyday experiences. These opportunities will benefit your child’s overall learning and progress at school. Today we continue with:

**At the Shops or the Movies**

Time spent at locations such as the movies – or even at the shops – can be educational as well as entertaining. Here are some ideas to assist you in helping your child:

**Numeracy Ideas**: 

- The term ‘mental computation’ is used to describe how some mathematics is taught in schools. It involves working out answers to arithmetic questions in your head in quick and accurate ways. This is a useful skill when shopping. Encourage your child to:
  - work out the total cost of some items without a calculator before reaching the checkout.
  - work out the final cost of discounted items to help decide on value for money when making purchases.
  - think about what, for example, ‘50% off the second item’ and ‘Buy one get one free’ really mean when you look at the total cost for the two items.

- Encourage your child to ask questions about advertising, eg. If a sale sign says ‘Up to 70% off’, does this mean that everything is 70% off or does it mean that many items may only be 30% off, with a few items 70% off? This type of information links to the shop owner’s purpose.

- If your child wants to buy a new, expensive item, consider doing some comparative shopping. Also discuss the initial cost, cost of repairs, replacement or any parts and ongoing costs.

- Ask your child to use available scales to weigh fruit and vegetables and estimate the cost of the item. Have a go yourself with your child there.

- Compare the nutritional content, particularly saturated fat, of pre-packaged food items. This information is often listed as decimals or percentages on packaging.

- Talk about numerical information used in advertising food products and why the company has chosen to show this information in a particular way.
