Dear Parents, Staff, Students, and Supporters of St Joseph’s College,

A few weekends ago, I travelled to Sydney by air in order to attend a friend’s fiftieth birthday party. The friend was among a small group of seven males who graduated from what is now known as Australian Catholic University as Physical Education teachers at the end of 1979. One of the seven picked two of us up from the airport. We went to a café in Coogee then to North Cronulla, from there we travelled to our friend’s house for lunch. From there he drove us to the party where he was the designated driver. Six of the seven classmates attended the party. The seventh couldn’t make it but telephoned to talk to us all. The same friend then drove us back to his home (some sixty kilometres from the party) where his eldest daughter was celebrating her twenty-fifth birthday. He provided accommodation for the two of us “out-of-towners”. On Sunday morning he cooked breakfast then drove us on a tour of the National Park and beaches through to Wollongong. He then drove us back to his house where he and his wife made us afternoon tea before we were taken to the airport.

Why have I told you this travelogue? . . . Not to bore you with my weekend activities!

But to tell the story of the generosity of someone who put his own priorities on hold to play the perfect host to two friends. I forgot to add that this friend is no longer a teacher but is now a self-employed tradesman who also gave up a full day’s work on the Saturday. His generosity challenged me and inspired me. I’ve read somewhere that we all possess a natural will to help others but it cannot blossom without being nurtured. Please reflect on the following statements:

“Generosity is a ladder that everyone must use to climb out of the bottomless pit of greed.”

“Deeds, not stones, are the true monuments of the great.” John L Motley

“In life try to be interested in the whole story not just our own scenes.”

One of the challenges of Lent is to give to others – being generous.

To conclude, a prayer for generosity, written by St Ignatius Loyola:

Lord Jesus,
Teach me to be generous;
Teach me to serve you as you deserve:
to give and not count the cost,
to fight and not heed the wounds,
to toil and not seek for rest,
to labour and not seek reward,
Save that of knowing that I do your will.
Amen.

Let’s all practice being generous in the coming weeks,

Best wishes and
God Bless,

Mr Peter McLoughlin
Principal

LATENESS TO SCHOOL DUE TO BUS SERVICES
Please note that students arriving late due to the bus service are to attend Student Reception on arrival at the College.

The student’s diary is stamped to record their late arrival, however, their permanent attendance record for the year will not include late arrivals due to late bus services.

LATENESS TO SCHOOL DUE TO TRAFFIC
Unfortunately, the entrance to the College is congested by traffic every morning. Please keep this in mind and make allowances in order that students are at school no later than 8:35am each school day.

Students arriving after the commencement of school are missing up to 20 minutes of school time – a time when they need to attend to Homeroom and to focus on preparing for the school day.

PROJECT COMPASSION 2008

This week’s story comes from the Indigenous Global Family and is entitled:

Amos: Dreaming into the future

Amos is a Mialli/Rembarrnga man from Australia. He is participating in the Learning My Dreaming program run by Djilpin Arts Aboriginal Corporation and supported by Caritas Australia.

This program focuses on strengthening the relationships between youth and Elders in the community through story telling and education about traditional Indigenous family values, culture, land and ceremony.

Participants are taught skills in film making, acting and video production. The program fosters self-confidence and encourages participants to become role models in their community.

Your donation to Project Compassion will support the development of communities.

To-date, we have raised $734 ~ keep up the good work everyone!!

Reading of the Week

Today’s Reading comes from the Gospel according to Mark:

One of the scribes came up to Jesus and put a question to him, ‘Which is the first of all the commandments?’

Jesus replied, ‘This is the first: Listen, Israel, the Lord our God is the one Lord. and you must love the Lord your God with all your heart, with all your soul, with all your mind, and with all your strength. The second is this: You must love your neighbour as yourself. There is no commandment greater than these.’

The scribe said to him, ‘Well spoken, Master; what you have said is true: that he is one and there is no other. To love him with all your heart, with all your understanding and strength, and to love your neighbour as yourself, this is far more important than any holocaust or sacrifice.’

Jesus, seeing how wisely he had spoken, said, ‘You are not far from the kingdom of God.’ And after that no one dared to question him any more.

Do you know the meaning of this word? 
Generosity: (n.) willingness and liberalism in giving away one's money, time, etc.; magnanimity; freedom from pettiness in character and mind; a generous act, abundance, plenty.

Generous: (adj.) munificent; full or plentiful.

Do you show your generosity towards others? Are you generous with your time, your kindness? Being nice to someone is a form of generosity.

Some quotes to make you think . . .

Generosity is giving more than you can, and pride is taking less than you need.

Generosity is the habit of giving. Often equated with charity as a virtue, generosity is widely accepted in society as a desirable habit.

We make a living by what we get, but we make a life by what we give.

And when all else fails . . .

Learn to be generous about others’ faults.

STUDENT REPRESENTATIVE COUNCIL
(SRC) NEWS

The SRC meets once a fortnight at lunch on Day 1 to plan events and discuss school issues. Our first event for the year was the Valentines Day Roses fundraiser. We would like to thank you for your support for this fundraiser and know that many of you enjoyed receiving a rose. But the biggest thank you goes to one of our College families. We would like to thank the Atkin family for donating the roses and for presenting them so nicely. This is the third year that Mr and Mrs Atkin have made this generous donation and we thank them very, very much. Their generosity enabled us to raise just over a thousand dollars. The meeting decided that half of these funds would be donated to support Rosies. A presentation was made to Mr John Lee of Rosies who accepted our cheque for $500.

Mr John Lee with Dean Stegeman and Joel Cauchi

One of our ex-students, Matthew Kirkham, joined our meeting on Monday to tell us about a St Vincent de Paul project he is involved in. It is called the ‘Assist a Student’ program and aims to help families in need throughout Asia and the Pacific to become self-sufficient and to educate at least one of their children. The entire sponsorship fee of $70 is used to assist a student to obtain an education. The meeting decided to support this worthy cause and to sponsor one student per year group. So on your behalf, we have made an application, and in a few weeks we will receive some information about each of the students we are sponsoring. As most of you know, the students of the College have sponsored Dominic – a young boy from Uganda – for the last eight years. The funds to support Dominic and the ‘Assist a Student’ program will come from your generous donations on Dominic Day – an event we hold each year.

On Tuesday this week, all of the SRC members spent the day with a presenter from Marist Youth Care who taught us about the Restorative Justice method of managing conflict and rebuilding relationships. It was a very interesting day and we learnt a lot about communication strategies and a process for helping people move beyond their disagreements to resolve conflict and get along better with each other. You might like to ask your SRC rep to tell you more about the day and the program. Next time you’re having a problem, your SRC rep may be able to help you resolve it.

As you can see, the SRC is a busy group. Another thing we have been talking about is the St Joseph’s Day challenge which will happen in Week 7. More on that in the coming weeks.

The SRC are your representatives. We’re not just about fundraising. We are also interested in building school spirit and making this College a great College. We would like to encourage you to get to know the reps in your year group, share your ideas with them, and get involved in SRC activities.

Diary: The student diary should be signed by parents/caregivers each week.

Any concerns? Contact the relevant Year Coordinator.
YEAR 10 HSIE EXCURSIONS

Letters are currently being sent home with regard to the History and Geography excursions being held on Tuesday 1 April.

Parents are reminded that in keeping with the College Excursion Policy, all payments and permission notes are due by Monday 17 March 2008.

Thank you in anticipation of your cooperation in this matter.

PERSONAL DEVELOPMENT, HEALTH AND PHYSICAL EDUCATION (PD/H/PE) NEWS

This year there are a variety of class combinations in PD/H/PE which we hope will encourage positive learning environments: ‘theory’ based units will be taught in homeroom-based mixed-gender classes whilst practical lessons will be gender-based where male/female ratios allow an even split of the students.

Currently all students in Years 7-9 have been completing a series of fitness testing. Students are encouraged to reflect on their results after comparing norms for their gender and age. These tests will be conducted again in Term 4 to allow for further comparison of results.

Year 10 are preparing for their first School Certificate assessment task involving peer teaching and participation in a chosen game activity.

Year 9 students are completing their Surf Survival Certificate. Resuscitation technique is being taught in class whilst the practical components are covered on Thursdays during sport time.

Year 10 PASS are preparing a coaching unit and will be conducting a series of coaching sessions with the Years 4 and 5 students from St James. At the completion they will obtain their Level O General Coaching Principles Certificate. Year 9 PASS have been working through a unit on Nutrition. From all reports, they have been very enthusiastic and creative in their approach to diet planning.

GYM HOURS

A reminder to all students that the student gym is open before school Tuesday to Friday, from 7:45-8:25am and is supervised each morning by a PE staff member:

Tuesday: Weights circuit – Mr Trimboli
Wednesday: Weights/Cardio circuit – Ms Gallagher
Thursday: Weights/Boteruse circuit – Mr Serone
Friday: Weights circuit – Mr Morrison

Students are welcome to come in and join any of the above circuit classes or participate in their own workout regime.

If you have any questions about the above circuit classes, please see the supervising teacher.

MOTIVATIONAL MEDIA

“Life is constantly about making choices. We can allow ourselves to drift along with no goal or purpose, or we can say “I’m going to take control of the direction my life is going to follow”.

We need to make strong decisions that will empower ourselves and those around us. We can be the one who makes a difference, and join together with others to develop our own potential and that of our community.

Working together as a team, we can experience the enriching, world-changing, power of every one.”

This year’s Motivational Media presentation is entitled “The Power of EVERY One”.

A big thank you to all involved with this year’s Annual College Swimming Carnival, held on Friday 22 February 2008.

Unlike the last couple of years, this year’s Carnival experienced some wonderful weather. We had plenty of blockout on tap, so our attendees took good care in and out of the sun.

I hope you enjoy the following article and the photos, and don’t forget the Newsletter comes up in full colour on the College’s website: www.bps.lism.catholic.edu.au.
