Dear Parents, Staff, Students, and Supporters of St Joseph’s College,

As we head into the final term of the 2008 school year, we have the opportunity to all finish the year with a positive approach. As I’ve said before, aim at ‘personal best’. Three thoughts on positive attitude:

“Our attitudes control our lives. Attitudes are a secret power working twenty four hours a day. It is of paramount importance that we know how to harness and control this great force.” Tom Blandi

“The only difference between a good day and a bad day is your attitude.” Dennis S Brown

“The best way to inspire people to superior performance is to convince them by everything you do and by your everyday attitude that you are wholeheartedly supporting them.” Harold S. Geneen

I was very fortunate that I grew up being influenced by someone who was a ‘positive attitude’ person. His name was Bill McWilliam. He was the golf professional at Beverley Park Golf Course in Sydney, about 150 metres from Oki Jubilee Stadium (the home of St George Illawarra RLFC). ‘Mr Mac’ had served in World War II with my father at Milne Bay in PNG. He was one of those people who cared for others and treated them how he would like to be treated. He was responsible for coaching many of Australia’s famous golfers Bruce Crampton, Bruce Devlin, David Graham and Greg Norman just to name a few, but Mr Mac cared about people, not just who you were. He made everybody feel special. He loved life and always said to me, “You’re a long time dead!” Mr Mac passed away on 24 August 2008, aged 87 years. He did so much for so many. He was like a second father to me and taught me many lessons about life. He was a real hero in the quiet unassuming way he lived his life and encouraged others. After my own father passed away, he encouraged me to march with their unit on ANZAC Day in Sydney. I didn’t and that’s a regret, although I thought of him and my own father when we marched as a College community in Tweed Heads. God bless you Mr Mac, Rest in Peace.

As they aim for their ‘personal best’ in their most important examinations to-date, I hope that we can keep in our prayers our Year 12 students and our Year 10 students.

Best wishes and
God Bless,

Mr Peter McLoughlin
Principal
Welcome back to school! This is the final term of 2008, and this is our first Newsletter for Term 4.

We have lots to share with you today, so do please take the time to read this Newsletter together as a family. We are still attempting to load the last Newsletter on the College website, and hopefully that will have been fixed by the time you read this publication.

We hope you enjoy today’s issue.

**PRINCIPAL’S NOTES**

Welcome back to SJC for Term 4.

**DIOCESAN CATHOLIC SCHOOLS PARENT ASSEMBLY NEWSLETTER**

Included with today’s newsletter is the ninth issue of the Lismore Diocese Catholic Schools Parent Assembly Newsletter for the information of every family.

**PRAYERS**

Your prayers are asked for the repose of the soul of the grandmother of Mr Scott McDermott who passed away on 9 October.

**STAFF CHANGES**

Welcome back to SJC to Mr Mark Williams who has returned after two terms leave. Mrs Rose has also returned to teaching full time.

**HIGHER SCHOOL CERTIFICATE**

Our Year 12 students commenced their Higher School Certificate exams last week. (Students should note that ALL their HSC exams will take place at the Salvation Army Centre.)

**The last day for the exams for our students is Thursday 13 November (Week 5, Term 4).**

I’d ask all members of the St Joseph’s College Community to pray for our Year 12 students as they sit for their final exams.

**YEAR 10 END OF YEAR EXAMS AND SCHOOL CERTIFICATE EXAMS**

Our Year 10 students started their internal end of year exams today. These exams finish this Friday, 24 October. Year 10 will then sit for their external School Certificate tests as follows:

**Monday 10 November:**
- English (9:20am-11:30am)
- Science (12:50pm-3:00pm)

**Tuesday 11 November:**
- Mathematics (9:25am-11:30am)
- Australian History, Geography, Civics and Citizenship (12:50pm-3:00pm)

In addition to these tests, our Year 10 students will sit for the compulsory Computing Skills test during the remainder of the week. Please pray for our Year 10 students.

**LEAVING ST JOSEPH’S COLLEGE**

Fourth term is a time when families make decisions about moving to a new area because of employment changes etc. I would ask that all parents of students who will not be returning to St Joseph’s College in 2009 to please contact my secretary, Mrs Helen Bissell on (07) 5524.9002 as soon as possible.

All students who leave St Joseph’s College are required to complete a Clearance Form.

**TERM 4**

Term 4 will conclude for students on Friday 12 December. The last week (8-12 December) will be exams for Years 7, 8 and 9 as well as assessments for Year 11. It is most important, therefore, that absences are avoided during these dates.

**MAKING A DIFFERENCE**

Many thanks to our Missions and Values Coordinator, Ms Allira Eppich, who organised the participation of our 30 students to this WYD08 follow-up event.

**BEACHATHON**

Friday 7 November is our big day! Each student is encouraged to raise $40. Please support the Committee who are organising a “highlight community day” that only happens once every two years.

**CONGRATULATIONS**

Congratulations to Mrs Wendy Peterson who has received an Endeavour Language Teacher Fellowship. Mrs Peterson will spend 3½ weeks of the summer vacation studying and travelling through France. Bon Voyage Mrs Peterson, and well done.

Mr Peter McLoughlin
Principal
ATTENDANCE: IT'S NOT OK TO BE AWAY!

The following scenario is exactly the type that is seriously affecting students’ long term educational programme:

Mum is going to South Tweed to do some business and her son/daughter is keen to accompany her, perhaps to shop or catch a movie at the AMC. Mum gives in and says yes.

Meanwhile back at school, in period 1 Maths the class begins a new topic and the teacher goes through the basics required. In period 2, there is a class discussion in English about two characters in the book the class is reading. Period 3 sees a revision of important points for an upcoming test in Commerce. Period 4, the elective teacher explains the parameters for an assignment that the students are to do and the class sets timelines for completion. During periods 5 and 6 similar things occur.

In Tweed, Mum and son/daughter enjoy a lovely lunch and watch an entertaining movie.

The student arrives back at school the next day and has no idea of how to do the Maths, doesn’t understand the discussion of characters in the book, is totally unprepared for the test and the set assignment is a mystery to him/her.

Such a situation puts undue pressure on the students and to catch up is very difficult. Most times he/she doesn’t regain this knowledge and understanding – there is a permanent gap in their education base. Please don’t let this happen.

Should you require assistance in saying no to your son/daughter with regard to any absences other than genuine illness, please contact his/her Year Coordinator.

Let’s all work together to make a difference to your child’s future. Say NO to absence.

Be on time,
Be at school,
That’s the rule!
BACK TO SCHOOL ALLOWANCE

The Back to School Allowance will be paid to families of students currently enrolled in Years 7, 8 and 9 in January 2009.

Privacy Legislation requires a form giving authority to release personal information be completed prior to the College forwarding the required data. These forms were forwarded to the current Year 7 students and students new to Years 8 and 9 with enrolment information at the end of last year and the majority have been completed and returned. However, some forms are outstanding and therefore new ones will be forwarded to some families and these should be returned to the College Office ASAP. Please note that these forms are valid for the time your child is enrolled at the College.

Students enrolled in Years 11 and 12 next year will receive their Back to School Allowance in February 2009 and authority forms for new students will be sent home at the start of Term 1.

To guarantee payment, please ensure the College has your correct address.

**October, the month of the Holy Rosary**

In 1883, Pope Leo the XIII dedicated the month of October to Our Lady of the Holy Rosary. The Rosary is a set of prayers that are said on prayer beads. The prayers are mainly Hail Mary’s and Our Father’s. The aim is to meditate on the Bible mysteries as you pray. Besides giving you a chance to reflect and meditate on the Bible mysteries, when you pray the Rosary you can petition your needs to the Blessed Virgin Mary. The Catholic Church teaches that The Virgin Mary is the Mother of God. The Church teaches She is also our Mother. At the foot of the cross with the apostle John our Lord Jesus Christ said to the Virgin Mary “… Woman, here is your son” then He said to the Disciple “Here is your mother” (John 19:26). By these short words, Mary was made our Mother too.

Most mothers will do anything to help their children. In fact most times when we really need something we usually go to our mums for help. In the same way Mary as Our Holy Mother, always hears our prayers and loving takes each of them to God on our behalf. In this way our prayers become Her prayers.

Pope Leo the XIII said “so great is the dignity of the Blessed Virgin Mary, so great her favour before God, that whoever in their need does not ask for Her help is trying to fly without wings”.

Our Lady of the Holy Rosary, pray for us.

**YEAR 9 HSIE EXCURSIONS**
On Wednesday 12 November, History and Geography students will need to complete mandatory course requirements by attending either a History site study excursion or a Geography field work excursion. All Year 9 students should have now received permission letters for these excursions.

In keeping with the College excursion policy, this means that written permission notes and money will need to be returned to the College by Tuesday 28 October. Thank you in anticipation of your cooperation in this matter.

If notes and money are not returned by Tuesday 28 October, follow-up will need to be made in order to explain that written permission and money are required.

School Shoes: Parents are reminded that school shoes are to be of the traditional, hard leather lace-up style.
A 17-year-old driver with a P1 Licence is about four times more up during everyday activities, for example:

Parents and carers can begin this education in the home and support school and other programs such as the RRISK Seminars. Parents also provide a powerful role model when it comes to drinking and attitudes to alcohol and other drugs.

It is best for education about alcohol and drugs to begin before young people are exposed to personal decisions about their use. Young people who have accurate information, coping and decision making skills and understand the issues, will be in a good position to make responsible decisions about alcohol and drugs.

Take time to talk. For example, sitting down with the young person in your care and mapping out a plan of action and what to say if they are offered drugs or alcohol can help equip them for the almost inevitable real event. Listen to what the young person in your family says about alcohol and drugs and follow up with a discussion. Take the opportunities when they come up during everyday activities, for example:

- When you pour a glass of alcohol.
- When alcohol or other drugs are mentioned on TV or other media.
- When using or giving out medicines.
- When your young person has an assignment on alcohol, smoking, medicines or other drugs.

It is important to understand that in some situations young people may take risks. Sitting down afterwards and helping them identify where things started to go wrong enables them to consider what they could do differently the next time they are faced with a similar situation.

NEW DRIVING TEST AND PROVISIONAL DRIVER RESTRICTIONS AS OF 1 JULY 2007

A summary of the changes to the driving test and provisional driver restrictions are highlighted below. Please contact the RTA on 13 22 13 if you require more detailed information.

- Increase to the mandatory period of supervised driving for Learner drivers from 50-120 hours.
- All Learner Driver’s required to have their L plates for a minimum of one year before they apply for their P plate licence.
- All mobile phone use will be banned for P1 drivers; this includes hands free kits, Bluetooth accessories and the loud speaker function.
- L and P plates will have to be displayed on the exterior of cars.
- P1 drivers will only be able to carry one passenger under the age of 21 between 11:00pm-5:00am. Exemptions will apply for P1 drivers with work commitments, those who need to carry family members, those engaged in community work such as the Rural Fire Service, older P1 drivers aged 25 years and over and in emergency situations.
- P1 drivers caught speeding will automatically lose their licence for at least three months.

YOUNG DRIVERS AGED 17 – 25 YEARS

WHY ARE THEY ‘AT RISK’?

People under 26 comprise only 15% of licensed drivers but are involved in 36% of road fatalities.

A 17-year-old driver with a P1 Licence is about four times more likely to be involved in a fatal crash than a driver aged 26 or older.

Young drivers have a greater risk of involvement in a fatal crash if they have two or more passengers. Young drivers with a P1 Licence are six times more likely to be involved in a fatal crash between 10:00pm and 5:00am than other drivers.

One of the main reasons new drivers are over-represented in crashes is that they lack experience in dealing with a variety of driving situations including driving at night or in wet weather.

Novice drivers can gain the experience that will help them to become safer drivers by increasing the amount and variety of on-road practice during their learning to drive phase. These traffic awareness skills are best learned with a supervising driver in the passenger seat.

Do you know the meaning of this word?

**Attitude (n.)** the way a person views something or tends to behave towards it, often in an evaluative way; a position of the body indicating mood or emotion.

The following quotes relate to ‘attitude’:

- It is very important to generate a good attitude, a good heart, as much as possible. From this, happiness in both the short term and the long term for both yourself and others will come. *Dalai Lama*

The attitude is very important. Because your behaviour radiates as much as possible. From this, happiness in both the short term and the long term for both yourself and others will come. *Dalai Lama*

Success or failure depends more upon attitude than upon capacity: successful men act as though they have accomplished or are enjoying something. Soon it becomes a reality. Act, look, feel successful, conduct yourself accordingly, and you will be amazed at the positive results. *William James*
Before School Supervision: Student supervision is available prior to the commencement of the school day, from 8:20am until 8:40am.

SOUTHERN CROSS CULTURAL EXCHANGE

Southern Cross Cultural Exchange, an Australian not-for-profit organisation specialising in international student exchange programs, is seeking volunteer host families for high school students aged between 14 and 18 years old scheduled to arrive in Australia in early February 2009 from Austria, Germany, Italy, Finland, Brazil, Colombia, Japan, Canada, and the USA.

All students are required to go through a stringent selection process. Host families can choose from students staying for a range of either 3, 5 or 10 months and they all attend local high schools whilst they are in Australia. The main purpose of cultural exchange is to challenge youth towards international understanding and tolerance. However hosting can benefit you by helping to make your family aware of different cultures, values, study habits, languages, sports and food. Have fun showing off Australian differences to international youth, make new overseas friends, and take a look at Australia through the eyes of another culture. There are no costs for the host family, as we organise all the flights, school enrolment, transportation, medical and insurance cover and local support systems.

Call Southern Cross Cultural Exchange now toll free on 1800 500 501, visit www.scce.com.au or email scceaus@scce.com.au.
Helping children to be organised

Personal organisation refers to children's ability to manage their time, their environment and their work tasks. For some children personal organisation comes naturally; however, many children—particularly boys—need assistance in this area. A structured, orderly, uncluttered environment at home and at school makes it easier for children to be organised and in control.

**Bright ideas**

- **Routines take the worry out of remembering.** Homework routines, morning routines, even after-school unpacking routines help children to be organised. For instance, an after-school routine may include unpacking a schoolbag, handing school notices to a parent and eating a snack.

- **Have regular homework time.** Establish a regular homework time and help your child to stick to it. If no formal homework has been set then use this time for reading.

- **Have morning round-up.** Remind children of the day's events each morning so they can plan accordingly.

- **There are times when so much is going on in young people's lives that they need structure and routine to help them get organised.** Gentle reminders to pack lunches, take notices to school and even to dress appropriately can assist children when they are busy.

- **Make use of a check list when it all seems too much.** Place a list of routine morning activities by a child's bed and insist that it be checked before he or she goes to school.

- **Clear away the clutter.** A regular clean-up of desks and work areas can help children regain control of their environment.

- **Less is better.** Encourage young people to bring home only the books that they will work on each night. Some children become overwhelmed when they have a bagful of books and they have difficulty knowing where to start.

- **Use a diary to plan ahead.** Encourage your child to place homework, social and school events in a diary.

Beachathon . . . . . . a Walkathon on the beach!
Between Kingscliff and Fingal Beach.

Friday 7 November (Friday Week 4, Term 4)

Following the launch of “Beachathon 2008” last term, each student was given a sponsorship card.

As outlined in the Newsletter issued on 25 September, we would like to meet a target of $25,000 which will help upgrade the school’s computing facilities. This year’s target roughly equates to each student raising $40.00. Again we ask that you dig deep and give as generously as you have in the past.

Incentive prizes and draws will occur as students bring in the money so there are many ways for your children to benefit from this worthwhile fundraising event. Money raised will be collected daily by Year 11 students. The ongoing tally of money raised will then be displayed each day.

Similarly to previous Beachathons, students will receive incentives for each ten and/or twenty dollars raised and brought in to the College: for each $10 raised the student will receive a chocolate; for each $20 raised the student will receive a ticket for the raffle draw of incentive prizes. Please note: we must see the money before the student gets either the chocolate or the raffle ticket.

We have been very successful in the past and look forward to your support in assisting us to raise the funds to provide improved facilities for your children.

Permission notes for students to attend the Beachathon will be issued this week. Please ensure these notes are returned as soon as possible. If this note is not returned it will mean that the student cannot attend.

If anyone wishes to volunteer to help on the day, can they please return the letter issued on the first week of this term.

The Beachathon Committee
